Sehrawat Brother is a new revolution of modern products. Sehrawat Brother panels are ideal space covering products that can be used in interior and exterior decoration. They are great solutions to ugly, stubborn problematic wall, ceiling or any surface that needs covering. Such as living room, bedroom, kitchen room, TV background, feature walls and ceiling in house decoration; company logo wall, meeting room, lobby backdrop, reception desk front function room in office, restaurant, cafes, cinema and night clubs decoration. Other than creating a stunning visual effect for wall, Sehrawat Brother panels can also be crafted into furniture designs, such as cabinet doors, bed headboard, bedroom wardrobe and kitchen cabinet.

Sehrawat Brother is a factory direct online store of its products, our products support worldwide delivery. For decades, we focus on developing state of art space design materials in both residential and commercial level. To follow the trend of cross border e-commerce business, we cut out the distribution channels and retail shops in domestic market (INDIA), and move our business directly in the internet, we have established our e-commerce channel. we only stock hot sale designs, and for regular items we offer make to order service to lower inventory. This low-cost marketing strategy supports our low price policy, driving us to lead the industry in ideas, quality, accuracy and design concept continuously. No matter you are a designer, architect or house owner, Sehrawat Brother will be always your best choice. Product at sehrawat brother is 1/3 of Asian price, all the quality.
